Capacity Building for Advocacy and Mobilisation

With the support of the CSF grant, the project aims to standardise and sustain RCEC organisational capacity in governance, finance, resource mobilisation, logistics, and technical capacity, in order to achieve its social impact objective to strengthen decision making in the state of Rumbek by promoting civic engagement.

Project results:

Creating community structures to advocate for themselves

Key activities include:

- Roundtable discussions on women and girls' access to justice
- Public opinion poll on how Dinka customary law affects women's access to justice
- Monthly women's forum for identifying, prioritising, and advocating for issues affecting women and girls
- Training for youth and female leaders on advocacy, communication, and effective messaging
