

<b>Organisation</b>	<b>Women Initiative For Development Organization (WIDO)</b>
<b>Grant Window</b>	<b>Yes We Can</b>
<b>Grant Amount</b>	<b>USD 50,000</b>
<b>Country/Region</b>	<b>South Sudan – Rumbek county, Lakes State</b>

## Institutional capacity building

**With the support of the CSF grant, the project aims to strengthen WIDO’s organisational performance and staff skills in advocacy, project management, financial monitoring and reporting, proposal writing, to promote effective and sustained interaction with local authorities and decision makers in order to identify and collectively address community concerns and priorities through effective lobbying.**

### **Project results:**

**Providing a safe platform for raising issues affecting the community and participatory problem solving**

### **Key activities include:**

- Training of staff on networking and communication, M&E and financial management
- Advocacy dialogue on GBV, child marriage, and forced marriage
- Conducting community dialogues on women’s rights
- Establishing platforms for youths to come together to exchange knowledge, practice leadership techniques, and engage in advocacy work
