<b>Grant Window</b>	Yes We Can
<b>Grant Amount</b>	USD 50,000
<b>Country/Region</b>	South Sudan - Yambio and Nzara Counties, Western Equatoria State

## Capacity enhancement for quality service delivery

With the support of the CSF grant, the project aims to strengthen partnerships between CCEWO and other CSOs in the region; build deeper connections with communities it represents; and enhance capacity of CCEWO to engage with authorities and decision makers in a positive manner.

### Project results:

Tackling examination fraud by deploying various media and communication methods

### Key activities include:

- Reviewing organisation policies by CCEWO board members, and training of key staff on management and advocacy
- Partnering with other CSOs to advocate against examination fraud, airing eight radio talk shows, and establishing theater groups to spread awareness of its detrimental impacts in the state schools
- Organising a workshop to draft a policy paper on reducing examination fraud with the Ministry of Education's authorities
