<b>Grant Window</b>	<b>Yes We Can</b>
<b>Grant Amount</b>	<b>USD 50,000</b>
<b>Country/Region</b>	<b>South Sudan – Bor county, Jonglei State</b>

## Institutional capacity building

**With the support of the CSF grant, the project aims to address its organisational capacity gaps and improve performance to better achieve WECSS’s strategic goals by strengthening staff skills in resource mobilisation, advocacy, reporting, financial management, M&E, and organisational governance. Stronger performance and staff members will lead to better serving the issues of women and girls in Bor county, especially by fighting child marriage and GBV.**

### **Project results:**

## **Empowering women and girls of Bor**

### **Key activities include:**

- Training of staff on accounting software QuickBooks, financial reporting, M&E, project cycle management, and procurement
- Training WECSS board members on their roles and responsibilities
- Conducting community dialogues on women’s rights
- Conducting a workshop with key stakeholders on GBV and girl child education
- Engaging with Authorities and decision makers and making alliance with CSO to influence policy making processes
